Anina Zürcher (Switzerland)

Welcome to Monaco

It is our great pleasure to announce details of the EAO's 32nd annual scientific meeting, which will take place from 18–20 September 2025. This year marks a return to Monaco, where we last gathered in 2009. The congress will be held in partnership with the French Society of Periodontology and Oral Implantology (SFPIO), and will reflect the two organisations' combined expertise and commitment to evidence-based practice.

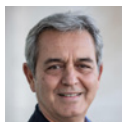

Themed around **"The impact of time in implant dentistry"**, the congress will provide invaluable insights into the critical role of timing in successful dental implant treatment. This important topic has been selected to provide new insights and perspectives for daily practice.

The congress will feature an array of interactive presentations and live video sessions. This year, a new international dimension will be introduced as the second plenary will present the First Global Consensus for Clinical Guidelines in implant dentistry, a milestone document set to establish new standards for the field.

Monaco is a gem on the Mediterranean coast and the perfect location for a late summer congress. The meeting will be a unique opportunity to combine continuing professional development with networking, social events and culture.

On behalf of the scientific and congress committees, we extend a warm invitation to join us in Monaco. Don't miss this opportunity to share best practice in implant dentistry, hear about groundbreaking research, and shape the future of our profession. We look forward to welcoming you for an unforgettable event that promises to inspire, educate and connect.

Warmest regards,

**Turker
Ornekol**

**Frank
Schwarz**

**Caroline
Fouque**

EAO-SFPIO joint meeting 2025 Scientific Committee

Chair

Turker Ornekol (*Türkiye*)

Co-chairs

Frank Schwarz (*Germany*)

Caroline Fouque (*France*)

Members

Stephen Chen (*Australia*)

Jan Cosyn (*Belgium*)

Olivier Huck (*France*)

Christel Larsson (*Sweden*)

José Manuel Navarro (*UK*)

Luca De Stavola (*Italy*)

Pascal Valentini (*France*)

Hom-Lay Wang (*USA*)

Scientific programme

Thu Fri Sat

Thursday 18th September

🕒 13:15 - 14:45

Impact of time in implant dentistry

Ben Moore (Switzerland)
Howard Gluckman (South Africa)
Stephen Chu (USA)

🕒 15:15 - 16:30

**Treatment planning for full arch
reconstructions: reducing times, improving
outcomes?**

Nitzan Bichacho (Israel)
Ramon Gomez Meda (Spain)
Florin Cofar (Romania)

**Importance of age and timing
in implant prosthodontics**

Nicole Winitsky (Sweden)
Asa Sjöholm (Sweden)
Eric Van Dooren (Belgium)

Friday 19th September

🕒 9:00 - 10:15

Timing of implant placement – when is immediate, early or late the better option?

Mariano Sanz (Spain)
Anina Zürcher (Switzerland)
Ignacio Sanz Martin (Switzerland)

Free-hand or guided surgery – when to do what?

João Pitta (Switzerland)
Wiebe Derksen (Netherlands)
Tali Chackartchi (Israel)

🕒 11:00 - 12:15

Going beyond the limits – are you ready?

Robert Nölken (Germany)
Istvan Urban (Hungary)

When is hard and soft tissue augmentation indicated in immediate, early and delayed implant placement?

Daniele Cardaropoli (Italy)
Nadja Nänni (Switzerland)
Simon Storgård Jensen (Denmark)

🕒 13:45 - 15:00

When is immediate provisionalization indicated in the aesthetic zone?

Franz Strauss (Switzerland)
Thomas De Bruyckere (Belgium)
Nikos Donos (UK)

Harvesting techniques for soft and hard tissue grafts

Leonardo Mancini (Italy)
Matteo Chiapasco (Italy)

🕒 15:30 - 16:45

1st Global Consensus for Clinical Guidelines in implant dentistry

This session will introduce evidence-based solutions for the edentulous maxilla, focusing on implant placement, sinus grafting, zygomatic implants, and prosthetic options for personalized, predictable care.

Saturday 20th September

✓ 9:00 - 10:15

Emerging prosthetic complications with respect to timing

Duygu Karasan (Switzerland)
Beatriz de Tapia (Spain)
Kevimy Agossa (France)

Timing of complication management - bone grafting procedures

Romain Doliveux (France)
Mario Rocuzzo (Italy)
Puria Parvini (Germany)

✓ 11:00 - 12:15

Timing of complication management - sinus floor elevation (early and late)

Claudio Stacchi (Italy)
Pablo Galindo (Spain)
Peer Kämmerer (Germany)

Hidden factors affecting the outcome of implant therapy

Franck Renouard (France)
Riccardo Scaini (Italy)
Rino Burkhardt (Switzerland)

✓ 14:00 - 15:30

Timing of peri-implantitis treatment

Alberto Monje (Spain)
Panos Papapanou (USA)
Giovanni Zucchelli (Italy)

General information

Date

From **Thursday 18th September**
to **Saturday 20th September 2025**

Venue

Grimaldi Forum
10 avenue Princesse Grâce
98000 Monaco

Official language

The official language of the EAO-SFPIO joint meeting 2025 is **English**.

Translation through AI into 60+ languages will be available for all sessions.

Exhibition

An exhibition will be held during the congress. It will offer an excellent opportunity for companies to display their products. Companies wishing to exhibit may obtain information by contacting:
sponsorship@eao.org.

Registration

Exclusive registration rates will be available for:

- EAO members
- SFPIO members

Accommodation

A hotel list and a dedicated booking website will be available soon at **congress.eao.org**. Make sure to secure your room soon to guarantee your stay in Monaco.

Call for abstracts

The EAO-SFPIO joint meeting 2025 is the leading scientific forum in Europe to show case new clinical and scientific research in implant dentistry. Don't miss this opportunity to present your abstract and research to your peers.

Types of presentations:

- ePosters
- oral communications

ePosters and oral communications (5 topics):

- Clinical research – surgery
- Clinical research – prosthetics
- Clinical research – peri-implant biology
- Basic research
- Clinical innovations

Video competition (1 topic):

- Clinical innovations

Official publications

Accepted abstracts will be published in the EAO's official journal **Clinical Oral Implants Research (COIR)** and referenced online (**Impact Factor: 4.8** - the highest Impact Factor in the field of implant dentistry).

Position Papers on the most relevant topics and their clinical evidence and relevance will be published in the second EAO's official journal, the **International Journal of Prosthodontics (IJP)** (**Impact Factor: 2.1**).

Awards

1,000 € will be awarded to:

- the five best oral communications
- the best clinical video

Important dates

October 2024

Registration opens.

January 2025

EAO Abstract submission opens.
Super Early Bird deadline until February 6th.

May 2025

Deadline for abstract submission.

June 2025

Deadline for registration at preferential rates.
